

**Month-to-Month Service Agreement:**

Your use of the Premium Service is subject to all of the Notifi Terms of Use and the Notifi Privacy Policy. The terms below are in addition to and in no way limit anything contained in the Terms of Use and Privacy Policy.

You may enjoy our Premium Service in the following ways:

**14-Day Free Trial:** When you first set up your Notifi system on your mobile device, you will have the option to take part in a 14-day free trial of our Premium Service. At the end of the 14-day free trial period you will have the option to continue your Premium Services on a month by month basis with the payment of the first month's fee. You will be sent a notice 3 days prior to the end of the 14-day free trial by email notification. By submitting your payment information and enrolling in our monthly subscription plan through our website or our Notifi App prior to the end of your free trial period, your Premium Service will continue uninterrupted. If you do not provide payment information and enroll in our monthly subscription plan, your Premium Service will stop at the end of the 14 days. You will be able to start Premium Service again at any time. However, you may only use the 14-day free trial once.

If you are already enrolled or have in the past enrolled in our monthly subscription plan, you are not eligible for a free trial.

**Paid Subscriptions:** At any time after you set up your Notifi system you may enjoy our Premium Service by enrolling in our monthly or annual subscription plan. Doing so entitles you to access our Premium Service on an ongoing basis until such subscription is cancelled. When you purchase your first month's subscription on the monthly subscription plan, you will be authorizing a recurring payment each month unless you cancel your subscription prior to the current monthly period. Automatic monthly payments shall be made through our third party payment group by the method you have chosen, until the subscription is terminated by you. You will be sent a 3-day notice prior to each recurring payment at the end of each monthly period to allow you to cancel if you wish without incurring an additional month's charge. You may also cancel at any time through [Heath-Zenith.com/Notifi](http://Heath-Zenith.com/Notifi) or by going to your Notifi App and clicking the "Cancel Premium Service" button. If you cancel, you will still be charged for the current billing period. The annual subscription plan works the same way, only you will make one payment once a year. Three days prior to the expiration of your annual subscription plan, you will receive a 3-day notice, at which time you may cancel by following the simple instructions on the 3-day notice.

You may terminate your participation in the annual subscription plan at any time. Upon termination, you will receive a refund based upon the number of months remaining on a pro-rata basis. For example, if you joined the plan on January 1st and terminate on March 20th, you will receive a refund for the nine month period from April through December. Monthly subscription fees are charged on the same day of each subsequent month after the initial activation of Premium Service. If any attempted payment is returned unpaid for any reason, HeathCo LLC will provide a 24-hour grace period and process the payment again. If the second payment attempt fails, the Premium Service will be discontinued immediately. Premium Service can be started again at any time with proper payment.
